The Draft Intended Use Plan (IUP) summarizes how the Office of Drinking Water will distribute the Drinking Water State Revolving Fund ([DWSRF](#)) lead service line inventory and replacement grant under the Bipartisan Infrastructure Law ([BIL](#)).

The IUP includes:

- Status of the DWSRF Lead Service Line Inventory and Replacement Program.
- Process and allocation of capital construction funds.
- Determination of loan eligibility and funding prioritization.
- Subsidy awarded.
- Prioritized-project funding list from DWSRF 2023 Spring Lead Service Line Inventory and Replacement Loan cycle.
