

Long-Term Care (LTC) Immunization Resources

On-Site COVID-19 Support

Resources for planning and accessing COVID-19 vaccines at your facility:

1. Health insurance carrier, mobile teams available?
2. Long-term care pharmacy for on-site support
3. Local health jurisdiction (LHJ) Find your LHJ here: doh.wa.gov/localhealth
4. Care-A-Van mobile vaccination service, visit doh.wa.gov/careavan
5. If you need assistance, take this short survey: www.surveymonkey.com/r/DQ5K9WV
6. Email Vaccine Questions: Immunization Immune Nurses at immunenurses@doh.wa.gov.

LTC IIS Use Pilot Project

Need assistance with the Washington Immunization Information System (IIS)? This LTC IIS Use Project may be for you! This project provides support to access and use the IIS, with minimal time required. Learn how to view, verify and forecast resident immunization needs. Benefit from one on one support, peer work groups & direction using IIS. Even if you are familiar with IIS, you can learn a lot from this pilot. Current IIS system access and a user profile are required to participate in the pilot. Email joann.parris@doh.wa.gov to get on the pilot project list for upcoming cycles or learn more.

LTC COVID-19 Immunization Champion Award

The *Long-Term Care COVID-19 Immunization Champion Award* program recognizes facilities, nursing homes and agencies who obtain COVID-19 vaccination rates of at least 80% among their employees. To participate visit doh.wa.gov/long-term-care-immunization-award or email flufighter@doh.wa.gov for more information.
