Attestation of Recovery

Effective July 28, 2019, ESHB 1768 requires all substance use disorder professional and substance use disorder professional trainee applicants to complete the attestation of recovery form. The licensing authority uses the attestation to determine whether more information is required to process your application. Additional information may include requiring your participation in a mental, physical or psychological evaluation.

Recovery as defined in [RCW 18.205.020\(9\)](#), means a process of change through which individuals improve their health and wellness, live self-directed lives, and strive to reach their full potential. Recovery often involves achieving remission from active substance use disorder.
