

Access Your Family's Immunization Information

There are a few ways you can access your family's immunization information:

Option 1: Sign up for MyIRMobile.com

Sign up for MyIRMobile by going to myirmobile.com and follow the registration instructions. Your registration information will be used to match your records with the state immunization registry. You will be sent a verification code on your phone to finalize the process. Once registration is complete, you'll be able to view your immunization records, Certificate of Immunization Status (CIS), and access your COVID-19 vaccination certificate.

Option 2: Visit Your Local Pharmacy, Clinic, or School

Certain local pharmacies, clinics, and schools can help you obtain your immunization records. Need help finding your local pharmacy? [Click here to find a pharmacy near you.](http://ncpa.org/pharmacy-locator) (ncpa.org/pharmacy-locator)

Option 3: Request a Complete Immunization Record from Your Health Care Provider

Most health care providers in Washington use the Washington State Immunization Information System. Please check with your provider to ask if they can give you a complete immunization record for you or your child. They can print it from the Immunization Information System or from their own medical record system.

Option 4: Request a Complete Immunization Record from the Department of Health

If you can't get a complete immunization record from your provider and you don't want to sign up for MyIRMobile, contact the [Office of Immunization](mailto:WAISRecords@doh.wa.gov) at WAISRecords@doh.wa.gov, or call 360-236-3595 or 1-866-397-0337. The Department of Health uses the Washington State Immunization Information System, but it does not have complete immunization records for all people. When you call, you'll be asked to provide identifying information, such as name, date of birth, and address. At that time, we will tell you if a record exists in the system, but no other information will be released over the phone. This is to protect

the privacy and confidentiality of your information.

Fill out an [Authorization to Release Immunization Records \(PDF\)](#) or an [Autorización para entregar documentos de vacunaciones \(PDF\)](#). These forms can be found at: <https://doh.wa.gov/you-and-your-family/immunization/access-your-familys-immunization-information>.

Mail, fax, or e-mail the form to:

Washington State Immunization Information System

PO Box 47843

Olympia, WA 98504-7843

Fax: 360-236-3590

E-mail: WAISRecords@doh.wa.gov

Once we receive the signed form, we will mail, fax, or securely e-mail the immunization record to you within five business days. If you have any questions, please contact us at 360-236-3595 or 1-866-397-0337 or by e-mail at WAISRecords@doh.wa.gov.
